1 "If you will unreservedly  
confide to me the particulars  
of your tale, I perhaps may be  
of use in undeceiving them. I  
5 am blind and cannot judge  
of your countenance, but  
there is something in your  
words which persuades me  
that you are sincere."

10 "I thank you, and accept  
your generous offer.  
You raise me from the  
dust by this kindness;  
and I trust that, by  
15 your aid, I shall not be  
driven from the society  
and sympathy of your  
fellow-creatures."

"May I know the  
names and residence  
of those friends?"

"You and your family  
are the friends whom  
I seek."

*"Overcome by pain  
and anguish, I quitted  
the cottage."*

1. What will they say about you?
2. That you shouldn't be out here?
3. That it's unladylike?
4. That you're not built for this?
5. Or maybe...
6. They'll say you're strong
7. That you can't be stopped.
8. That you'll always find a way
9. That you make it look easy
10. That you make it look good
11. Or maybe...
12. They'll say you're the next big thing.
